# HCCPS Board of Trustees Meeting Agenda Feb 6, 2025 6:30pm

## HCCPS, 1 Industrial Pkwy, Easthampton, MA 01027 Also: Join Zoom Meeting https://us02web.zoom.us/j/83679293502?pwd=bjZya3FvVTFmd216WlkvZDVPLzhjZz09 Meeting ID: 836 7929 3502 Passcode: 7dvsWu

The Hilltown Cooperative Charter Public School was founded in 1995 as a Massachusetts Public Charter School. Our mission is:

- To engage students in a school that uses experiential, hands-on activities, the arts, and interdisciplinary studies to foster critical thinking skills and a joy of learning.
- To sustain a cooperative, intimate community of students, staff, families and local community members, which guides and supports the school and its educational program.
- To cultivate children's individual voices and a shared respect for each other, our community, and the world around us.

# Facilitator: Kathleen Hulton

| <ul> <li>Welcoming (read mission statement) (Kathleen H.)</li> <li>Announcements, appreciations, acknowledgements</li> <li>Agenda Check: Appoint timekeeper, list keeper</li> <li>BOT Visibility this month</li> </ul> | Announcements, Appreciations,<br>Acknowledgements:<br>Kate reminder for member to submit photos and<br>bios for website<br>Kathleen - MCPSA survey, board members submit.<br>Agenda Check -<br>Board Visibility:<br>Coffee Hour, Tuesday Jan 28<br>Community Screening and Panel Jan 23 6:30, TMI<br>organization<br>Bingo 1/31<br>MLK, Jr. |  |

| Approve minutes from<br>previous BOT meeting,<br>12/11/24   | Amendments: Added that a summary is included in board packet for facilities goals.  | Kathleen motioned to<br>approve 12/11 meeting<br>minutes with amendment;<br>Tala. seconded; the Board<br>approved meeting minutes<br>by consensus. |
|---|---|--|
| Public Comment<br>(Kathleen)  | None.   |  |
| <ul> <li>Teaching and Learning<br/>Updates (Rebecca)</li> <li>Staffing Update</li> <li>General Teaching<br/>and Learning<br/>Updates</li> </ul> | <ul> <li>Staffing Update:</li> <li>Unexpected departure of Science TA. Longtime sub,<br/>Will, has taken over. Also hired a building sub, Steve<br/>Hoyt.</li> <li>General T and L Updates:</li> <li>Organizing the student council is ongoing and very<br/>exciting. Lots of ideas that may be instituted next<br/>year, and some this year. The Fundraising committee<br/>may offer a Parents Night Out. The student JEDI<br/>committee met with the Board JEDI committee to<br/>possibly collaborate.</li> <li>New Health Education curriculum. Mary and<br/>Rebecca attended a training. Trying to figure out<br/>how to distribute pieces of the curriculum to<br/>teachers and outside organizations.</li> <li>Smith fellows are visiting in January. Rebecca and<br/>Tiffany will be visiting Smith to help with community<br/>engagement.</li> <li>Open Houses will happen for just K families, and for<br/>all other families. This may include student speakers</li> <li>Mini Courses start soon. Two parents are offering<br/>courses this session.</li> </ul> |  |

| Head of School Updates<br>(Chris)   | Full Domain Report is included in the board packet.  |   |
|---|--|---|
| Charter Renewal     Update  | Chartern Renewal Update  |   |
| <ul> <li>Family and<br/>Community<br/>Engagement</li> <li>General School<br/>Updates</li> </ul> | DESE has sent a review of our Charter Renewal. Full<br>preliminary update summarized in Domain report.<br>Indications are that we won't have issues having<br>our Charter renewed. Final Draft coming in a<br>couple of weeks.   |   |
|   | <b>Community updates on behalf of Tiffany:</b><br>Summarized events happening, which are outlined<br>in detail in the Domain report.   |   |
|   | General School Updates:  |   |
|   | Engaging with parent Seth Gregory to help with<br>marketing, and communications.<br>We are also connected with a PR firm through<br>MCPSA to help with getting more PR, right now<br>around the Playground and 30th Anniversary. |   |
|   | Finances are healthier than we thought, as per<br>pupil spending higher than anticipated. We are<br>looking at one off costs to use these funds for, as we<br>can't use these funds as if they are recurrent.                    |   |
|   | Wetlands permitting process is beginning prior to new playground starting.   |   |
| <b>Board Goals,</b> Lily<br>(Update)  | Document is included in the packet.  | Lily has asked that   |
|   | Lily provided a brief summary of the document as included.   | committees be considering<br>how these goals are living in<br>committee agendas, so to              |
|   | Lily emphasizes that committee goals should be<br>aligned with or strengthening to the overall board<br>goals.   | be addressed. Members<br>should plan to engage in<br>discussion around this at our<br>next meeting. |
|   | Board members proposed ways their existing goals support/align with the board goals.   |   |

| Grade Realignment, Chris. | Grade Realignment Summary Penert included in the  |   |
|---------------------------|---|---|
| (Discussion and Decision) | Grade Realignment Summary Report included in the board packet.  | Tala motioned to approve<br>Grade Realignment |
|                           |   | Proposal; Lily seconded.                      |
|                           | Kathleen spoke with 19 staff members, including   | The Board approved by                         |
|                           | most classroom teachers and all classroom teachers  | consensus.                                    |
|                           | whose grades will change. Conversations with some   |   |
|                           | other staff, specials' teachers and TAs. Everyone is  |   |
|                           | somewhere on the spectrum from accepting to   |   |
|                           | excited for the plan as laid out by Chris and Rebecca.<br>Kathleen expresses appreciation for Chris and |   |
|                           | Rebecca for how they handled this process and   |   |
|                           | communicated throughout. Kathleen shares that it  |   |
|                           | was through their leadership that some teachers   |   |
|                           | staff came around to acceptance for the grade   |   |
|                           | realignment.  |   |
|                           | Chris expressed appreciation for the way staff and  |   |
|                           | teachers engaged in this process. Dan Klatz also  |   |
|                           | helped to inform the process through sharing  |   |
|                           | history. Provides a summary of the written  |   |
|                           | summary.  |   |
|                           | Kathleen clarifies that this body is voting on the  |   |
|                           | realignment structure, but not the logistics  |   |
|                           | (timeline, etc.). We are also not deciding on whether   |   |
|                           | to have a 4 year old Kindy. This will include a change  |   |
|                           | to our charter. If it happens, that will be dealt with  |   |
|                           | at a later date.  |   |
|                           | Rebecca expresses appreciation for collaboration,   |   |
|                           | and for the process. And appreciates Chris' full  |   |
|                           | report.   |   |
|                           | Tala asks about numbers and entry points.   |   |
|                           | Chris explains that it is somewhat dependent on   |   |
|                           | whether the TK class happens.   |   |
|                           | Primary entry point will remain K (or TK)   |   |
|                           | Realignment would expand secondary entry points   |   |
|                           | to 5th and 6th grade.   |   |
|                           |   |   |

| Board questions and clarifications related to student         body size - for example, student cohort getting         larger over time for the benefit of students;         developmental groupings;         Steve appreciates the meaningful involvement of         students in the process. Sees this as one of the         reasons charter schools are great - innovation,         rethink the way things are done. Asks for more         context around the alignment between the needs         outlined the LRP and Attrition issues. Chris explains         this was an opportunity to address what is laid out         in LRP and also attrition.         Tala and Lily touch on entry points and attrition -         K-8s often face attrition at 7th/8th because of entry         points at other schools.         Kathleen S asks for clarification around the         decreasing numbers in the upper grades. Chris         explains that 7 and 8 would reduce to 3 teachers,         rather than 4. This shift would allow for allocation of         some resources to the lower grades in a more         balanced way. Chris cites the need for a Math         Interventionist as a mid tier support, like Andrea         Hearns is as a Reading Specialist. Currently costly         special ed resources are being used in come         scenarios where a math support person could be         used. </th <th></th> <th></th>  |   |  |

# Proposal to the Board of Trustees From

The Facilities Committee

**Date:** February 6, 2025 **Name of Proposal: Proposal to Remove Facilities as a Board Committee Priority Level:** Medium **Approximate time needed for discussion: 10 minutes** 

Proposal to be presented by: Kelly Vogel

#### Committee members drafting proposal: Kathleen Hulton, Kelly Vogel

#### Text of proposal:

This committee was founded (and originally named "Site Committee") when the school was at the Brassworks building with the purpose of locating a more suitable space for the school. For years, the committee reviewed and considered real estate until the purchase of the current Easthampton property. After moving to Easthampton, the committee became first the "On Site Committee" and then "Facilities Committee." In recent years, this committee has struggled with membership and purpose. This proposal would remove the Facilities Committee as a committee of the Board.

#### Goals to be achieved by proposal:

The removal of the Facilities Committee will free up Board resources for increasing our capacity in other domains of governance, particularly in developing a more formalized focus on academic achievement.

Facilities issues requiring Board involvement currently come via the Facilities Committee, the Finance Committee, or both. This change will provide clarity that facilities issues involving the Board will be addressed via the Finance Committee.

#### Potential problems/dissenting views:

Some members may think a Board committee focused solely on facilities is important.

### Additional notes:

Facilities projects involving the need for volunteers and community involvement can be achieved via an entity organized outside of the Board, akin to how "Community Team" operates currently.

proposal to BOT,

#### Domain Committee Meeting Final Minutes – January 6, 2025 8:30 am

#### Meeting Location: HCCPS

Present:Kathleen Hulton, Lily Newman, Ben Carlis, Chris Kusek, Rebecca Belcher-Timme,Tiffany RossGuests:Regrets:Notetaker:Emily Boddy

# Directors Report February 2025 BoT meeting

#### Teaching and Learning Updates (Rebecca)

#### A. Stang

a. We have had a high rate of teacher illness, and diculty nding and retaining quality subs. We continue to pursue hiring of substitutes, particularly as we plan for Nicole's absence. b. We are going to pilot a new platform for placing subs that is less labor intensive than our current system.

- c. Brenda, who has been helping Amy with Special Education, is training with Nicole to support the oce in the morning.
- d. Having a building sub has eased some of the stang needs, but we continue to be short staed due to illness.

#### B. Mid-Year Teacher Check-ins

- a. DoTL has been meeting with each teacher individually, both for overall check-ins, and to discuss impacts of grade realignment
- b. Discussions about curriculum for grades 6-8 are underway, particularly for ELA, and Science

#### C. Professional Development

- a. We will follow up on our TMI training with a workshop about community building on the upcoming half day Wednesday
- b. PD in March will focus on the new MCAS platform, which is still rolling out (slowly) this month.
- c. In April and May, we hope to lay the groundwork for an inquiry based PD model with the overarching theme of community/culture/climate/connection.

#### D. Student Council

- a. The student JEDI committee is committed to implementing some kind of education around harmful language and its impact. There has been a lot of discussion around where this education belongs. The Advisory block has had mixed success as a space for these kinds of conversations.
- b. The student council is advocating for more peer to peer discussion and teaching, and more authentic speakers.
- c. The board JEDI committee is exploring how to use the Sta Climate survey as a way to monitor student experience. We hope to add some more targeted questions to the survey used last year, and to use the questions from last year again as a baseline.

#### E. Health Education Partnerships

a. Safe Passage launches their Say Something youth initiative for our 8th graders starting the Tuesday after February Vacation. The program is 6 weeks, and will be delivered to alternating groups of 8th graders over 12 weeks. The program centers on giving students the information, tools, and skills to support healthy relationships. b. The Power Up program for 7th graders is well underway, and also focuses on healthy relationships. We are exploring the possibility of implementing their Project Sele program this spring, which focuses on online safety and digital privacy.

#### Head of School/Community updates (Chris)

#### A. Facilities

a. In less happy news, the sprinkler system is proving to be a very expensive liability. Initial estimates for repairs from recent sprinkler "event"/leaf are \$7800 with a cautionary warning from Sprinkler company that need for pipe repairs will likely become more frequent as the system continues to age. The facilities committee discussed the possibility of hiring an engineering rm to perform a capital improvement needs assessment on the entire building.

b. In better news, the playground project is moving forward below original cost estimates. Due to a partnership with a local union local, the demolition work will be done for a nominal cost and the total estimated cost for the project is now just under \$171,000; down from the \$185,000-\$200,000 estimate we budgeted for.

#### **B.** Political climate

a. The current presidential administration is implementing policies at a rapid rate that are creating great uncertainty in public education and in the community. Administration is trying to stay updated on impacts of policies aecting funding sources, curricular autonomy, gender arming rights, etc. MCPSA and DESE will be helpful partners in this regard.

Unprecedented times to say the (very) least!

#### C. Grade realignment

- i. HCCPS will fully implement the approved grade realignment plan in SY25-26 and will explore the possibility of adding a K1 grade for 4-year-olds in the future.
- ii. Administration is working closely with faculty and sta to thoughtfully plan for the implementation of this plan and restructuring that will support it. Several meetings, including a recent faculty meeting have taken place to collaboratively determine the opportunities and challenges in coordinating budget priorities and master scheduling plans that support this work. Major programming priorities that administration has announced to the community include the addition of a drama program teacher and a math specialist. Both positions will be posted internally in the coming days.
- iii. Initial planning has indicated the need to consider a change to dismissal times for 24-25. With the 5th grade transition, administration believes that this is a very good time to address the dismissal time question that has been discussed in committees for a number of years and is in the LRP. An agenda item for discussion was added for the upcoming BoT meeting and an administrative recommendation to consider would be a 2:00pm Wednesday dismissal for all K-8 students. This could go a long way to mitigate equity concerns with the current model while still preserving intentional

planning time to support arts integration at HCCPS.

#### D. Professional development/Climate culture

- i. Community Im screening/panel discussion on Thursday January 23 was well attended and well received. Representatives from TMI Project, Safe Passage, and Children's Advocacy Center of Western MA all proved to be engaged partners and we look forward to continuing the work with them in the future.
- ii. Full day PD day on Friday January 24 was also incredibly successful. The TMI storytelling workshop received consistently positive feedback from sta and ranks as one of the most powerful experiences of my career. We followed up this week at our 2/5 PD afternoon to discuss the impact of this work and how to move it forward. It has already shaped the way we've been discussing "community before content" at Hilltown and could be an extremely eective vehicle for both arts integration and social justice. More to come!!

iii. The TMI workshop on 1/24 was followed by a presentation and discussion onMulti-Tiered Systems of Support (MTSS) at Hilltown. Though this was PRS

mandated training, it gave faculty and administrators an opportunity to think about how MTSS is currently designed at the school and will be the beginning of a larger dialogue about how to design and implement eective systems of support for all learners.

#### E. Community updates

- a. **MLK Celebration was a success!** It went smoothly and was well attended. Some parent feedback was that it was important to see kids thinking about injustice.
- b. **Bingo Night was a success!** 58 people attended (all in, including lap children) less than last year (last year was about 67 people), but not bad for a bad weather night when sickness seems to be high. We made about \$500. That is also less than last year (last year was about \$650), but still respectable. Steph Mattrey, who ran the event, made a point to acknowledge that all 3 "administrators" were in attendance which she appreciated very much and couldn't recall a time in all the years she's done Bingo Night when that was the case (Bravo to Chris and Rebecca and their families)!
- c. MCPSA Advocacy Week starts today 2/3, with a kick o rally on Monday February 3rd. Thanks to all that were able to attend.. We appreciate the advocacy of the Board in advancing Charter School goals. A main goal of Advocacy week was to increase the per pupil facilities funding by \$431 per student. That will halve the gap between district public school facilities funding and charter public school facilities funding.

#### d. Upcoming Events:

i. **Prisms Dance** - Date this week, but student council looking **late February or March.** 

ii. Looking to do a Parents Night Out, as suggested by our student voice group, in March.

Last year we did a Family Fun Night in March, this could perhaps be the next iteration of that (drop o event).

## iii. Feb Coee Hours - Board Hosted!!! on 2/12, Oranges hosting on 2/28 iv. ArtSpark date set for 4/11!

#### e. Admissions update:

- i. **Zoom info session on 1/28** went well, about 20 something attendees, Last year there were more like 40 attendees.
- ii. We advertised (paid) with Hilltown Families, and have put out yers in strategic locations.
- iii. Upcoming in person info sessions 2/11 and 2/13.

#### f. Positive Press:

- i. Working with PR rm **Slowey McManus** on a story about our arts program, the kiln, artspark, etc.
- ii. Also Britt Murphy (from Slowey) may come out to **Im pedaled powered smoothies** in Ti's drinks mini course either this thursday or next. Have to make sure the machine will work! This would just be a feel good short pitch to TV and written media outlets. Nice if in time for admissions!

## FINAL: Facilities Committee Meeting Minutes – Monday, Feb 3, 2025 3:15pm

#### Meeting Location: HCCPS

Present: Kelly Vogel, Nan Childs, Alex Niemiec, Chris Kusek, Alex Porter, Rick Stultz Guests: Regrets:

Notetaker: Kelly Vogel

| <i>Agenda:</i><br>Approve December 2024 minutes  |   |  |
| Chris motions to approve, Carla seconds, approve   | d by consensus                            |  |
| <ul> <li>Playground update</li> <li>Approved by union partnership for free site work by trainees</li> </ul>  |   |  |
| • Their work season is over by May, so work will happen in late April/May  |   |  |
| • This means having time at the end of the year with no play structure   |   |  |
| <ul> <li>There will be some cleanup for us to cover - parent volunteers?</li> <li>Quote from Omasta did not change to accommodate to this change in work</li> </ul>                |   |  |
| <ul> <li>Quote from Four Seasons came in lower</li> </ul>  |   |  |
| Entire project will entail work from multiple contractors for different elements   |   |  |
| Still some work gaps that need coverage  |   |  |
| Deposits for work will go out in the next month  |   |  |
| Firmer projection of work breakdown and actual costs next month  |   |  |
| Question about additional enhancements   |   |  |
| <ul> <li>Parent looking to donate gaga pit</li> <li>Reactivities to use additional allotted for do for contilions placement on how concerns.</li> </ul>                            |   |  |
| <ul> <li>Possibility to use additional allotted funds for auxiliary playground enhancements</li> </ul>   |   |  |

Discuss long-term capital improvement budget

- Discussed by Facilities Committee
- Possibility of bringing in outside consultant to assist in site assessment and developing long-term capital improvement plan
- Relationship between Facilities and Finance committees, since Facilities work depends heavily on Finance decisions

Preliminary discussion of FY25 Budget mid year revisions

- Revised tuition projections from state increase our projection by \$157,000, which works out to an \$83,000 surplus for the year given current budget, but may be offset by additional expenses
- Possible uses for this include supporting SIS transition, exploring staffing solutions (e.g. building sub)
- Discuss ideas to incorporate JEDI into Finance Committee activities and goals
- Examining how spending impacts different groups

New business

• Comprehensive cost breakdown of playground project for next meeting

Review action items

Adjourned

JEDI Committee Meeting Minutes- January 31st, 2025 9:30 - 10:30 a.m.

**Present**: Kathleen Szegda, Garrett Washington, Seth Harwood, Rebecca-Belcher Timme, Chris Kusek

Guests: Grace Mrowicki, Emilie Woodward, Ben Spooner Regrets:

| Торіс                         | Discussion  | Action  |
|-------------------------------|---|---|
| Approve December<br>Minutes   | Minutes approved  |   |
| Updates                       | <ul> <li>Thank those that attended film screening and panel discussion of TMI and locker room talk. Very powerful PD, focuses on vulnerability and centering marginalized communities. Thinking how to advance that work. Integrating into 2/5 PD as well and thinking how to integrate in general.</li> <li>Grade realignment and release time – discussed that it is a JEDI issue to have early release on Wednesdays because of challenges of parents picking up. Also likely impacts who comes to the school. Recognized as a JEDI issue in past, but hasn't changed because of tradition and the need for planning time. Looking at potential solutions that can address both.</li> <li>Discussed that we have considered putting JEDI in the mission statement in past and discussed consideration as long-term plan process</li> </ul> |   |
| Student JEDI<br>Weekly Survey | Committee agreed that it would slow down the process for implementing survey based on   | Kathleen to send                                |
| Question Project              | discussions with JEDI student council and their<br>voicing the importance of educating their peers<br>first. Students don't fully understand what is  | the climate<br>survey to the<br>JEDI committee. |
|                               | harmful and why. Given this and capacity, will use<br>the climate survey as baseline while having   | JEDI committee<br>to review and add             |
